JOB READINESS WORKSHOPS

Job readiness workshops are facilitated by our job search specialists and focus on areas of employment readiness in order to help you feel confident in your search! Topics include:

- * **Money Smart:** It's never too early or too late to start planning for your future goals. Join us in learning new ways to enhance your financial skills and create pathways to a sustainable future!
- * **Resume Writing:** Learn current trends in resume writing to create a product that will help you shine.
- * **Math Skills:** Afraid of math? Join us to improve your confidence. This session is a quick review of fractions, decimals, and percentages to take away the fear of those pre-employment tests.
- * **How to Get a State Job:** Come learn how to navigate the state job application system.
- * **Vision Boards:** A fun workshop to explore goals; create take home projects to help make the vision a reality.
